Kristen,

FYI-see below. BERS should be submitting the draft work plan tomorrow.

I know that makes for a very tight review schedule, but if you can provide comments by noon on Monday, we should be able to have a final version ready when field work starts. I don't believe this is crucial, but it would be preferred to have it completed by the time we start at the site. However, I will make sure we have a final Health and Safety Plan when field work starts.

Also, I still need to contact the owner for the restaurant property. Please send along the contact info. I went through my history of messages and can't find it. It may have been deleted by mistake.

Thank you.

Matt,

When you submit the documents for Tower Standard, please also send them to my personal e-mail address. I will notice them more quickly if I am away from the office.
